Join PAAC for an evening of dinner and celebration as we honor our 2017 scholarship recipients. Over 60 students from high schools throughout the state have received awards to support their higher education, participation in PAAC's Global Leadership Program, and study abroad in the Philippines, Tahiti, China, Japan, or Vietnam. PAAC's statewide High School Program is designed to empower students by engaging them in global issues and helping them develop an international perspective.

Please join us as we honor these young leaders and support the next generation of global citizens in Hawaii.
