Global Action Project: The Danger of Microplastics

Saturday, April 29, 2017 at Hanauma Bay

9:00am-12:30pm

*Calling all PAAC Clubs and After-School Classes!
Join PAAC for a day of service learning.*

Learn about the global migration of microplastics and the harm they cause to our oceans and aquatic life. Take action by sifting for these microplastics at Hanauma Bay Nature Preserve.

Wait, what are microplastics? Microplastics are pieces of plastic, less than 5 millimeters long. They come from a variety of sources, including large pieces of plastic that have degraded and microbeads found in beauty products.

Register by April 5th!
Space is limited.

This Global Action Project is brought to you in collaboration with the Hanauma Bay Education Program and the University of Hawaii Sea Grant College Program.

To register, submit event waiver to info@paachawaii.org or mail to PAAC at 1601 East-West Road, 4th Floor, Honolulu, HI 96848. Download event waiver at www.paachawaii.org
