Join PAAC for an evening of dinner and celebration as we honor our 2018 scholarship recipients. Over 60 students from high schools throughout the state have received awards to support their higher education, participation in PAAC's Global Leadership Program, and study abroad in the Philippines, Tahiti, South Korea, Bali, or Vietnam.

The evening will feature **Kumu Ramsay Taum**, Founder and President of the Life Enhancement Institute of the Pacific. Kumu Taum will speak on "Raising the Blue Continent," touching upon understanding identity, raising consciousness, and developing global leadership based on native values.

PAAC empowers Hawai'i teens with the skills to be the global leaders of tomorrow. PAAC's award-winning High School Global Education Program uses non-traditional, experiential learning to engage and excite students about global issues. PAAC strives to develop students' leadership, empathy, critical thinking, and cross-cultural collaboration skills. Since 1954, PAAC has served nearly 90,000 Hawai'i high school students.

Please join us as we honor these young leaders and support the next generation of global citizens in Hawai'i.
