PAAC empowers Hawai'i teens with the skills to be the global leaders of tomorrow. PAAC's award-winning High School Global Education Program uses non-traditional, experiential learning to engage and excite students about global issues. PAAC strives to develop students' leadership, empathy, critical thinking, and cross-cultural collaboration skills. Since 1954, PAAC has served nearly 90,000 Hawaii high school students.

Please join us as we honor these young leaders and support the next generation of global citizens in Hawaii.
