

20th Annual Human Rights Academy

June 24-28 • 9am–2pm • University of Hawaii
 Advanced Summer Seminar:
 Peace, Environment, Human Rights & Global Justice

The Human Rights Academy is dedicated to informing students about current international issues and how they relate to Hawaii, as well as connecting them to the tools they need to become a part of the global movement to make a difference.

On the 20th anniversary, participants will work collaboratively to create a framework for a Voluntary Local Review and the Universal Periodic Review to show how Hawaii can achieve the Global Goals through a human rights-based approach at the grassroots level for the global reviews. Students will also learn more about the mechanisms in place at the United Nations to assess the progress of humanity in achieving the Sustainable Development Goals and Global Human Rights.
