Day 14	Return to Hawaii with a whole new outlook!

"I have grown so much as a result of this study tour. I initially only expected to learn about sustainability, public health, and food security but I was able to gain a better understanding of different cultures, people, and the world through this trip just by immersing myself into something I am not used to."

- 2018 Program Participant

The world is waiting for you... What are you waiting for?

More than just an exotic destination, Bali, Indonesia is quickly becoming a hub for community organizers and social entrepreneurs working to address the global challenges our environment and societies face. Join PAAC next summer as we take students on the trip of a lifetime to learn about environmental sustainability and our roles in a fast-changing world as the caretakers and global leaders of tomorrow.

PAAC 2019 Summer Study Tour to Bali, Indonesia

Program & Application Information

Tentative dates:

June 6-21, 2019. There will also be a mandatory pre-trip orientation for students on May 12th and May 19th.

Eligibility:

Students enrolled in grades 9-12 who attend high school in Hawaii. Public, private, charter, and home-school students are all eligible.

Trip Description:

Students will explore travel to Bali, Indonesia and immerse themselves in the local culture and landscape while also learning about the different social, environmental, and economic issues being tackled by grassroots organizations. Students will be encouraged to reflect on what “sustainability” looks like in Bali and apply what they learn to make a difference not only abroad, but also at home. The goals of the Pacific and Asian Affairs Council (PAAC) travel program are to further students’ international interests through a meaningful experience abroad and to build bridges between our group and the local people we meet, strengthening the relationship between countries on a personal level.

Program cost:

\$3,000. Price includes program related expenses such as in-country transportation, accommodation, meals, activities, travel insurance, and entry fees, and does not cover personal expenses such as laundry, communication, snacks, and souvenirs. International and interisland airfare is not included in the cost, but flight reservations will be made by PAAC. (For reference, in 2018 the total program cost including airfare was approximately \$4,500.)

Scholarships:

Need and merit-based scholarships are available to students. In the past 5 years, over 80% of students have received scholarships ranging from \$500 - \$3,000 to participate on PAAC trips. Preference is given to students with demonstrated financial need who participate in PAAC Clubs, After School Classes, or events. Applicants must fill out the relevant questions on this application. Applicants who are offered a scholarship must submit documentation to support their application before the scholarship will be awarded. The scholarship cannot be used to pay for the trip deposit.

Travel Logistics:

From flights and hotels to meals and sightseeing, we take care of every detail so you can relax and focus on learning and making the most of your time in country. Our comprehensive planning and 15+ years of experience with planning youth travel means that students and parents can rest easy knowing they’re in good hands both at home and abroad.

Guided Travel:

Dedicated PAAC tour leader and teacher chaperones stay with your group 24/7, handling on-tour details and providing cultural insight and knowledge for students. Tour leaders will always be PAAC staff members who have extensive experience traveling and working with youth to ensure a healthy learning environment. Teacher chaperones are selected from among PAAC’s network of public, private, and charter school teachers who share our passion and commitment to student learning and safety.

Maximizing Safety and Security:

PAAC gathers information from a variety of sources and experts to continuously evaluate safety and security conditions. PAAC monitors U.S. government advisories, considering those issued both by in-country embassies and consulates and by the U.S. Department of State in Washington, DC. PAAC obtains additional valuable local knowledge and analysis from our in-country partner organizations as well as our senior advisory council, whose members include former diplomats, ambassadors, and business leaders with decades of combined international expertise and networks. Students' safety is our top priority.

PAAC maintains a 24-hour safety and emergency response on-call system for any health, safety, or security concerns that may arise. Parents can connect to their children at any time during the study tour in case of emergency via our chaperones emergency contact numbers, or through our 24/7 Hawaii on-call number.

PAAC enrolls each group with the U.S. Department of State's Smart Traveler Enrollment Program (STEP), which transmits real-time safety alerts to the chaperone and enables the U.S. embassy or consulate to contact the group in an emergency.

Program & Application Information

Application Instructions:

Application Deadline is DECEMBER 21, 2018. There is no application fee to apply.

1. Complete Application Form

You can use the paper application (which can be found on page 6) or you can submit your application online at <https://goo.gl/forms/VRI04xZGV1MfjpfC3>.

We recommend you review the application in its entirety before beginning. If you choose to submit the application online, you will NOT be able to save your work and return to finish the application later. Some sections need to be completed by a parent/guardian.

Caution: The name you provide under "Full Name" is what we will use to book your flight ticket. If the name written is different from what is in your passport, you will be responsible for paying the fee to change the name on the ticket.

2. Write 2 Short Essays

Applicant must complete BOTH essays. Each essay must be 600 words or less. If you are submitting your application online, combine both essays into one document before uploading.

- I. Why are you interested in traveling to Bali with this program? What do you hope to gain from this experience? How will your participation contribute to the program?
- II. Describe your involvement in PAAC activities (for PAAC students) and/or other internationally focused activities, such as travel, Model UN, school clubs, and extracurricular activities. How have these experiences inspired you, shaped your global perspective, or affected your view of the world?

The essays are a very important part of the application. Tips for writing good essays:

- * Proofread! Do not turn in essays with grammatical or spelling errors. Ask teachers, parents, and/or friends to give you feedback. Revise your essays until you are satisfied that you have done your best.
- * Avoid general statements like, "I want to go on this trip to learn about the culture," without elaborating. Be specific and give examples whenever possible.

3. Parent/Guardian Consent Form

Have your parent(s)/guardian(s) fill out the Consent Form. This form can be found on page 9.

4. School Transcript and First Quarter Grades

Unofficial transcript copies are acceptable and can be obtained from your school.

5. Teacher Recommendation form and letter (One only):

Give the recommendation form (found on page 10) to your PAAC Club advisor, PAAC class teacher, or a school teacher who has known you for at least one year. Family members may not serve as references. They may return your recommendation form and letter directly to PAAC, or you may upload them when you submit your application.

Your teacher's recommendation form and letter must be postmarked by December 21, 2018 and is required in order for your application to be considered. Please allow your teacher plenty of time to complete the form and write the letter. More than one week is recommended.

Application Instructions Continued

7. Submit Application

You can submit your application online and upload all documents at <https://goo.gl/forms/VRIO4xZGV1MfjpfC3>. Application must be submitted before midnight on December 21, 2018.

Mailed in applications must be postmarked by December 21, 2018. Please do not send the instruction pages in with your application. Send all application materials to:

PAAC Travel Program
1601 East-West Road, 4th Floor
Honolulu, HI 96848.

Application Process:

- Submit completed application and supporting documents by the application deadline: December 21.
- Finalists will be contacted for an in-person interview in January. Applicants who live on the neighbor islands will be interviewed via video conference.
- All applicants will be notified of the Selection Committee's decision following the interviews.

Next Steps for Accepted Applicants:

- If accepted to the program, students will have approximately 2 weeks to submit their deposit payment to confirm their place on the study tour.
- Accepted students who do not have a passport should apply for one ASAP. PAAC cannot book flight tickets for the group, without every participant's passport information.
- PAAC will work with you to complete our medical and emergency forms, which ensures that staff are aware of medical histories, medications, allergies, and dietary restrictions in advance.
- We work with families to answer any questions about how students can and should prepare for an upcoming trip, including advice for obtaining vaccinations and visas, and offering packing tips.
- Finally, all participants and parents will attend pre-departure orientation sessions that give a comprehensive overview of the program content, communications, emergency measures, and more.

CONSENT FORM

To the parent(s) or guardian(s):

Studying and traveling in foreign countries offers young people a unique opportunity to learn and develop personally. The students will also represent the United States of America, Hawaii, and their schools. Criteria for selection will heavily weigh on a student's maturity and ability to adjust.

IMPORTANT- Please read and sign the following statement:

I/we grant the Pacific and Asian Affairs Council (PAAC) permission to check with my child's school counselor and principal to determine if my child has demonstrated good citizenship, responsibility, and emotional stability.

In order to assist PAAC in attending to the health and safety of my/our child, I/we acknowledge that I/we have provided PAAC a complete and full description of any health condition(s) or medical restriction(s) that my/our child may have. By completing this application, I/we consent that this information, along with information from school records, teachers, counselors or deans can be used in determining my/our child's suitability for this program, providing for the safety of my/our child, and providing information when health, illness, injury or behavior may have an effect on my/our child's intended study abroad program. I/we further acknowledge that PAAC reserves the right to select participants for this program based on PAAC's determination of each child's suitability.
