

Distinguished Clubs Awards

PAAC challenges its clubs to set goals related to participation, community impact, and reporting. Clubs that reach Gold, Silver, or Bronze tiers will be recognized on PAAC’s website and receive awards at the end of the school year. All requirements must be fulfilled by April 6, 2020.

Goals have been adjusted for the 2020-2021 school year due to the pandemic and changes to PAAC’s programs.

Club Activity Report - Guidelines

The Club Activity Reports must be submitted by each club at the end of each semester. They should include:

1. **Member list**

List the name, grade, and officer roles (if applicable), and emails (if available) for all members.

2. **Activity Summary**

Summarize (bullet points are fine) your club's activities by month. Be sure to answer the following:

- How many times did you meet each month?
- What did you do during meetings?
- Did you participate in any school or community activities?
- Include pictures (screenshots)!

3. **SDG Curriculum Suite Lessons**

If your club completed one or more of the SDG Curriculum Suite lessons, be sure to note which ones you completed and send a summary of the assignments and discussion. To complete a lesson, clubs must finish the Assignments, do the Kahoot quiz, and hold a discussion based on the discussion questions.

4. **Global Action Project**

If your club designed, planned, and carry out a Global Action Project, describe what you did. Be sure to answer the following:

- What did you do? Be specific – who, what, when, where, why, how.
- What was your goal and how did you measure success? Share any quantitative data you have (e.g. how many people were there, how many cans you collected, how much money you raised, etc.) Do you have any qualitative data (e.g. quotes, reflections, feedback from others)? What other results or effects did your project bring about? Did you change your goal in the process of carrying out your project?
- What would you have done differently/better? What did you learn – about your issue, about yourself or others, or about the process of planning and executing your own project? Do you feel you accomplished what you wanted to in this project?
- Pictures - Include in your report the best pictures from your GAP
- Sign in Sheet - when you carry out a GAP, make sure to get the signatures of everybody who attends or participates, and send this to PAAC. For instance, if you do a beach clean up, just have everyone write their name and sign on a blank sheet of paper. This helps PAAC get money for our programs!
