# Take the Journey

Spend 14 days in Ubud, the cultural heart of the island of Bali. On this immersive experience you learn about environmental sustainability and community development. PAAC's strong local connections allow our participants to meet with many innovative local changemakers. Use what you learn in Bali to formulate a Sustainable Development Action Plan for our local own community.

Of course, no trip would be complete without an exploration of local culture, cuisine, and customs! Students will trek in the UNESCO World Heritage Jatiluwih Rice Terraces, make their own batik artwork and up-cycle products, and try Balinese dance and cooking.

Over the last 15 years, PAAC's programs have emphasized group safety, socially conscious travel, and encourages student independence and growth through hands-on cultural experiences.

## **PAAC 2020 Summer Study Tour to Bali Program & Application Information**

### **Tentative Tour Dates:**

A mandatory parent meeting will be held in February 2020 for accepted students and their parents. Students who complete their enrollment paperwork, payments, and assignments will attend two mandatory orientation sessions at UH-Manoa on two weekend days in May 2020, though other pre-trip preparation days may be added as needed. The study tour will be held over the course of approximately 14 days in June 2020.

### **Eligibility:**

Public, private, charter, and home-school students in grades 9-12 who reside in the state of Hawai'i.

### **Trip Description:**

Students selected for this program will hone their critical thinking skills by analyzing different community and environmental development models as they explore Balinese history, culture, and society in the central town of Ubud. They will meet with local community organizers and youth, hear from innovative social entrepreneurs, and dialogue with experts and each other to draw connections between the challenges and solutions they see in Bali and Hawaii. Students will also enjoy opportunities to express their creativity through arts, crafts, songs, and dance. Through this immersive intercultural program, students will experience what it means to be a truly global citizen.

The goals of the Pacific & Asian Affairs Council (PAAC) travel program are to further students' international interests through a meaningful experience abroad and to build bridges between our group and the local people we meet, strengthening relationships between nations on a peer to peer level. A sample itinerary can be found on page 3. The detailed 2020 trip itinerary will be provided at orientation.

### **Program Cost:**

The cost for the 2020 study tour is still to be determined. For your reference, the cost of the 2019 study tour before scholarships was \$4,350. The trip price includes all program related expenses such as international airfare, in-country transportation, accommodation, meals, activities, travel insurance, and local entry fees. Personal expenses such as laundry, communication, snacks, and souvenirs are not included. Passport application fees are not included, and we recommend applying for one as soon as possible after acceptance to avoid expediting fees, which are also not covered. Visa fees (if required) and interisland airfare are also not included in the program cost.

### **Scholarships:**

All high school students in Hawai'i are eligible for full to partial scholarships thanks to a generous grant from the Mamoru and Aiko Takitani Foundation. In the last five years, over 85% of participants with demonstrated financial need or notable PAAC involvement have received scholarships for this program. Preference is given to students with financial need and who participate in PAAC Clubs, After School Classes, and events. To apply for a scholarship, please fill out the Financial Information Section on the application form. Applicants who are offered a scholarship must submit documentation in a timely manner to support their application before the scholarship award can be confirmed. PAAC scholarships cannot be used to pay the trip deposit.

### **Travel Logistics:**

From flights and hotels to meals and sightseeing, we take care of every detail so you can relax and focus on learning and making the most of your time in country. Our comprehensive planning and 15+ years of experience with planning youth travel means that students and parents can rest easy knowing they're in good hands both at home and abroad.

### **Guided Travel:**

A dedicated PAAC tour leader and teacher chaperones will stay with the group 24/7, handling travel and safety logistics while also providing cultural insights and guidance for students. Tour leaders are PAAC staff members who have extensive experience traveling and working with youth to ensure a healthy learning environment. Teacher chaperones are selected from among PAAC's network of public, private, and charter school teachers who share our passion and commitment to student learning and safety across borders.

### **Pre-Trip Preparation:**

PAAC will work with you to complete our medical and emergency forms, which ensure that staff are aware of medical histories, medications, allergies, and dietary restrictions in advance. We work with families to answer any questions about how students can and should prepare for an upcoming trip, including advice for obtaining vaccinations, visas, and packing tips. In order to protect the students in our group as well as the people we meet abroad, all participants must be up to date on vaccinations recommended by the CDC for travel to Bali. Finally, all participants and parents must attend orientation sessions that give a comprehensive overview of the program content, communications, emergency measures, and more.

### **Safety and Security:**

Student safety is our top priority. PAAC gathers information from a variety of sources and experts to continuously evaluate safety and security conditions. PAAC monitors U.S. government advisories, considering those issued both by in-country embassies and consulates and by the U.S. Department of State. PAAC obtains additional valuable local knowledge and analysis from our in-country partner organizations as well as our senior advisory council, whose members include former diplomats, ambassadors, and business leaders with decades of combined international expertise and networks.

PAAC maintains a 24-hour safety and emergency response on-call system for any health, safety, or security concerns that may arise. Parents can contact their children at any time during the study tour in case of emergency via our chaperones' emergency contact numbers, or through our 24/7 Hawaii on-call number. PAAC also enrolls each group with the U.S. Department of State's Smart Traveler Enrollment Program (STEP), which transmits real-time safety alerts to the chaperone and enables the U.S. embassy or consulate to contact the group in an emergency.

## **Application Instructions:**

The Application Deadline is December 22, 2019. There is no application fee.

### **1. Complete Application Form**

You can use the paper application (starting on page 6) or you can submit your application online at: <https://forms.gle/GrwnDxSjxYE4DdiE7>

We recommend you review the application in its entirety before beginning. If you choose to submit the application online, you will NOT be able to save your work and return to finish the application later. Some sections need to be completed by a parent/guardian.

Caution: The name you provide under "Full Name" is what we will use to book your flight ticket. If the name written is different from what is in your passport (or what will be in your passport), you will be responsible for paying the fee to change the name on the ticket.

### **2. Write 2 Short Essays**

Applicant must complete BOTH essays. Each essay must be between 450 and 500 words. If you are submitting your application online, combine both essays into one document before uploading.

- I. Why are you interested in traveling to Bali with this program? What do you hope to gain from this experience? How will your participation contribute to the program?
- II. Describe your involvement in PAAC activities (for PAAC students) and/or other internationally focused activities, such as travel, Model UN, school clubs, and extracurricular activities. How have these experiences inspired you, shaped your global perspective, or affected your view of the world?

The essays are a very important part of the application. Tips for writing good essays:

- \* Proofread! Do not turn in essays with grammatical or spelling errors. Ask teachers, parents, and/or friends to give you feedback. Revise your essays until you are satisfied that you have done your best.
- \* Avoid general statements like, "I want to go on this trip to learn about the culture," without elaborating. Be specific and give examples whenever possible.

### **3. Parent/Guardian Consent Form**

Have your parent(s)/guardian(s) fill out the Consent Form (found on page 9).

### **4. School Transcript and First Quarter Grades**

Unofficial transcript copies are acceptable and can be obtained from your school.

### **5. Teacher Recommendation form and letter (One only):**

Give the recommendation form (found on page 10) to your PAAC Club advisor, PAAC class teacher, or a school teacher who has known you for at least one year. Family members may not serve as references. They may return your recommendation form and letter directly to PAAC, or you may upload them when you submit your application.

Your teacher's recommendation form and letter must be postmarked by Dec. 22, 2019 and is required for your application to be considered. Please allow your teacher plenty of time to complete the form and write the letter. More than one week is recommended. Recommendations can be sent to: PAAC Travel Program, 1601 East-West Road, 4th Floor Honolulu, Hawai'i 96848-1601.

## **7. Submit Application**

You can submit your application online and upload all documents at <https://forms.gle/GrwnDxSjxYE4DdiE7>. Applications must be submitted before midnight on December 22, 2019. Mailed applications must be postmarked by December 22, 2019. Please do not send the instruction pages in with your application.

Send all application materials and teacher recommendations to:  
PAAC Travel Program  
1601 East-West Road, 4<sup>th</sup> Floor  
Honolulu, HI 96848.

### **Application Process:**

- Submit completed application and supporting documents by the application deadline: December 22.
- Finalists will be contacted for an in-person interview in early January. Applicants who live on the neighbor islands will be interviewed via video conference.
- All applicants will be notified of the Selection Committee's decision following the interviews.

### **Next Steps for Accepted Applicants:**

- If accepted to the program, students will have approximately 2 weeks to submit their deposit payment to confirm their place on the study tour.
- Accepted students who do not have a passport should apply for one immediately. PAAC cannot book flight tickets for the group, without every participant's passport information.
- Students will complete medical and emergency forms to ensure that PAAC is aware of medical histories, medications, allergies, and dietary restrictions in advance.
- Finally, all participants and parents will attend pre-departure orientation sessions that give a comprehensive overview of the program content, communications, emergency measures, and more.

**To the parent(s) or guardian(s):**

Studying and traveling in foreign countries offers young people a unique opportunity to learn and develop personally. The students will also represent the United States of America, Hawaii, and their schools. Criteria for selection will heavily weigh on a student’s maturity and ability to adjust.

**IMPORTANT- Please read and sign the following statement:**

I/we grant the Pacific and Asian Affairs Council (PAAC) permission to check with my child’s school counselor and principal to determine if my child has demonstrated good citizenship, responsibility, and emotional stability.

In order to assist PAAC in attending to the health and safety of my/our child, I/we acknowledge that I/we have provided PAAC a complete and full description of any health condition(s) or medical restriction(s) that my/our child may have. By completing this application, I/we consent that this information, along with information from school records, teachers, counselors or deans can be used in determining my/our child’s suitability for this program, providing for the safety of my/our child, and providing information when health, illness, injury or behavior may have an effect on my/our child’s intended study abroad program. I/we further acknowledge that PAAC reserves the right to select participants for this program based on PAAC’s determination of each child’s suitability.
