

CLUB FUND Request Form

PAAC has established a PAAC Club Fund to support clubs. Requests for funding are limited to \$500 unless a larger sum can be justified. Requests must be submitted before the proposed activity/project takes place and require PAAC's approval before funding is granted.

Club Fund Goals

It is PAAC's hope that this fund will help PAAC clubs to:

1. Undertake Global Action Projects that make a positive impact on the local community
2. Learn about international affairs, other countries and cultures, and global issues
3. Increase club membership and participation

1. Basic Information

Name of Student making the Request:	
School:	
Grade:	
Student Email and Phone Number:	
Position in PAAC Club: (e.g. President, Treasurer, club member, etc.)	
PAAC Club Advisor: (teacher who will help you to implement your proposal)

2. Proposal

On a separate paper, provide the following information. Please type your answers in complete sentences. Minimum length: 250 words. Refer to the example proposal for guidance.

- Description of Activity/Project. What do you plan to do? Make a timeline of when you plan to do what. Be specific.
- Purpose. Why does the club want to do this? How will funding from PAAC help your club to accomplish one or more of the Club Fund Goals stated above?
- Estimated Costs. How much money are you requesting? Provide a description for each expense. Don't forget to take into account sales tax, transportation costs, and other relevant fees. Expenses may be listed in Word or Excel.

If the proposal is approved, PAAC funds will be provided in the form of reimbursements to Teacher Advisors. Please save all receipts and send a photo of each receipt to PAAC to receive reimbursements. PAAC will do our best to send reimbursements within one week of receiving photo of the receipt. If an alternative means of transferring funds is preferred, please contact PAAC. Money will not be sent to students

Wondering what to request money for? Here are a few ideas:

- *Executing a Club Global Action Project (GAP)*
- *Excursions to museums, cultural festivals, or other events*
- *Inviting guest speakers to speak to your club and/or school*
- *Purchasing club t-shirts*
- *Promoting PAAC at your school*

3. Summary Report

Following the activity/project, club members must write and submit a Summary Report within two weeks of the activity/project's completion. The Summary Report must be typed, written in complete sentences, and be a minimum of 250 words. Be sure to include the following:

- Description of Activity/Project. What did you do? Be specific.
- Purpose of funds. How was the money from the PAAC Club fund used?
- Outcomes. How did the activity/project impact your PAAC club and community? Provide quantitative (numbers/data) and qualitative results (stories/quotes) to illustrate the impact and value of the project.
- Reflection. What did your club learn? Would you have done anything differently? Do you feel your club accomplished what it set out to do?
- Pictures. Provide pictures and any supplementary material to help PAAC to understand more fully the value of your activity/project.
- **Signatures. If you completed a Global Action Project with the money from the fund, be sure you get the signatures of everyone impacted. This is as simple as asking all attendees to sign a piece of paper. This shows how many people were impacted and helps PAAC get more money from grantors.**
