

Distinguished Clubs Awards

PAAC challenges its clubs to distinguish themselves by setting goals relating to participation, community impact, and reporting. Clubs that reach any one of the three tiers will receive awards and be recognized at PAAC's annual reception in April 2019. This is not a ranking of the "best" clubs; rather, we hope clubs will work together in a spirit of friendly competition and collaboration to reach their club goals.

Gold Level

- At least 20 student members in the PAAC Club. (A signed roster must be send to PAAC)
- At least 2 officers attend both Club Officer Workshops (August, January)
- At least 12 students participate in WorldQuest
- At least 12 students participate in the Fall Global Vision Summit (December)*
- At least 12 students attend the Spring Global Vision Summit (March)*
- Design, plan, and implement 2 or more Global Action Projects.
- Submit at least 5 entries for the SDG Design Challenge
- Complete a Club Activity Report at the end of each semester. See guidelines on back.

Silver Level

- At least 15 student members in the PAAC Club. (A signed roster must be send to PAAC)
- At least 1 officer attends both Club Officer Workshops (August, January)
- At least 8 students participate in WorldQuest
- At least 8 students participate in the Fall Global Vision Summit (December)*
- At least 8 students attend the Spring Global Vision Summit (March)*
- Design, plan, and implement a Global Action Project.
- Submit at least 3 entries for the SDG Design Challenge
- Complete a Club Activity Report at the end of each semester. See guidelines on back.

Bronze Level

- At least 10 student members in the PAAC Club. (A signed roster must be send to PAAC)
- At least 1 officer attends both Club Officer Workshops (August, January)
- At least 4 students participate in WorldQuest
- At least 4 students participate in the Fall Global Vision Summit (December)*
- At least 4 students attend the Spring Global Vision Summit (March)*
- Submit at least 3 entries for the SDG Design Challenge
- Complete a Club Activity Report at the end of each semester. See guidelines on back.

Awards

Clubs to achieve Gold, Silver, and Bronze levels will be recognized on PAAC's website and during PAAC's annual reception on April 27, 2019. Additional prizes are under consideration.

*Neighbor Island clubs unable to attend Fall and Spring Global Vision Summits may instead contact PAAC to organize one mini-GVS at their school, either in the Fall or Spring semester.

All requirements must be fulfilled by April 15, 2019.

Club Activity Report Guidelines

Submit one at the end of each semester (by Dec. 31 and April 15). The Club Activity Report should include:

1. Member list

List the name, grade, and officer roles (if applicable) for all members.

2. Activity Summary

Summarize (bullet points are fine) your club's activities by month. Be sure to answer the following:

- How many times did you meet each month?
- What did you do during meetings?
- As a club, what activities did you participate in at school or in the community?
- Include pictures!

3. GAP Summary

If your club designed, planned, and carried out a Global Action Project, describe what you did. Be sure to answer the following:

- What did you do? Be specific – who, what, when, where, why, how.
- What was your goal and how did you measure success? Share any quantitative data you have (e.g. how many people were there, how many cans you collected, how much money you raised, etc.) Do you have any qualitative data (e.g. quotes, reflections, feedback from others)? What other results or effects did your project bring about? Did you change your goal in the process of carrying out your project?
- What would you have done differently/better? What did you learn – about your issue, about yourself or others, or about the process of planning and executing your own project? Do you feel you accomplished what you wanted to in this project?
- Pictures - Include in your report the best pictures from your GAP.

Need money to carry out a GAP?
Just fill out [PAAC's Club Funding Request Form](#).
